Summer Enrichment Programs

Music: When music is a part of your child's everyday life, the benefits are immeasurable. Music develops the child's mind, body, and spirit simultaneously. The simple pleasures of singing, dancing and playing instruments with others engages children and can help them participate more fully in school. Breana Rehak, Music Therapist & Music Together Specialist, will provide weekly music. She will also host parent-child classes throughout the summer too.

Creative Movement: Children will learn how to move, stretch & strengthen their bodies. Children will gain confidence, balance, stability & rhythm while dancing, playing games & practicing yoga in these 30 minutes sessions.

Splash Day: The BNS Playground is transformed into a mini-waterpark with slides, sprinklers & lots of water play fun!

Community Outreach/Visitors: Summer visitors include The Ocean County Library, Jakes Branch, O.C. Health Department Dental Talks, Local Girl Scouts.

Field Trips: BNS will plan 2 field trips to take place in July & August. Additional cost will apply.

Music, Creative Movement & Splash Days will be offered throughout the summer on various days so all children can enjoy the benefits of these programs. A summer calendar will be available May 1st.

Summer Enrichment "Add-Ons"

Would you like your child to have additional programming during the school day at BNS? Choose from Soccer Shots, Fun Bus or Broadway on the Go. These programs are offered for an additional fee & are 30-minute sessions.

Soccer Shots:

Using creative and imaginative games, weekly sessions focus on basic soccer skills like dribbling, passing, and shooting. We also highlight a positive character trait each session such as respect, teamwork, and appreciation. Soccer Shots will expose your child to the fun of soccer and provide the foundation needed to get started in the sport. Offered for the Terrific Twos-Kindergarten age students.

(\$12 per week/\$48 per 4 wk session)

Fun Bus: Fitness Fun on Wheels. This converted school bus parks in our lot & promotes fitness fun. Offered for the Terrific Twos-Kindergarten age students.

(\$13 per week/\$52 per 4 wk session)

Broadway on the Go:

Performing is a chance for children to express themselves & let their inhibitions go. Jodie from Broadway Bound of Lakewood, NJ will visit BNS each week to offer "Broadway On the Go" to the Preschool/Pre-K/Kindergarten classes. She will teach the students, songs, dance numbers but most importantly instill confidence. At the end of our summer session, the parents will be invited to a performance to show off their talents. Offered to Preschool through Kindergarten age students.

(\$11.25 per week/\$45 per 4 wk session)
