

The Week of the Young Child is an annual celebration sponsored by the National Association for the Education of Young Children (NAEYC). Week of the Young Child kicks off this year on Sunday 4/10-4/16. The purpose of the Week of the Young Child is to focus public attention on the needs of young children and their families and to recognize the early childhood programs and services that meet those needs. The Week of the Young Child is a time to plan how we-as citizens of a community, of a state, and of a nation- will better meet the needs of all young children and their families.

Tell Beachwood Nursery School how special your child is by having your child decorate the flower below and then fill out a special quality or something that you love about your child on each petal. Please put your child's name in the center of the flower. Please return by Friday April 15th so we may display all the beautiful flowers.

Join BNS at the Ocean Affiliate's Annual Children's Festival on 4/9 from 1-3:15. Special presentation by NJ Performing Arts Center will start at 2:15. This is a Free event at the Ocean County Library-Toms River Branch.
